

CAHC Volunteer Program

Youth Basic Guidelines

Youth members will be required to volunteer a minimum of 6 (six) hours at CAHC events to be eligible for the CAHC year-end high point awards.

Volunteering 6 hours will satisfy the volunteer hour requirement for multiple horses.

A CAHC event is defined as any horse show or activity sponsored by CAHC. This would include (but not be limited to) CAHC Spring Show, CAHC Estes Park Show, CAHC Fall Show, Stock Show Booth, Delegate Fund Raising Events or CAHC Christmas Show). Volunteering at the Region 8 Championship Show will also count toward CAHC volunteer hours. If a question arises as to whether volunteering at a function would count toward volunteer hours, the Volunteer/Award program secretary will have the authority to authorize (or disallow) said function.

Serving as an officer of CAHC youth club or heading a CAHC youth committee will qualify as meeting the required 6 (six) hours. All work must be volunteer. Paid positions at a horse show or event do not qualify. Youth hours must be complete by the youth member. For youth members 10 years old and under, a parent may serve 1/2 of the hours.

Youth members will be responsible for completing a "**Volunteer Participation Form**" for all hours completed. This form must be signed by the person managing the CAHC activity (show manager, board member, CAHC officer, etc.)

Volunteer hours will be tracked by the Volunteer Program Coordinator. A listing of completed hours will be posted at CAHC events.

For CAHC volunteer hours, the calendar year will be November 1st through October 31st
