JCAHC SILENT AUCTION

Every year the JCAHC holds its annual Silent Auction at Christmas Show in December. This has been changed! The Silent Auction will take place at Fall Show this year! We need people to get ready to donate some items, and hope that every JCAHC member can donate a little something! Please contact Jordan Owen or Christa Forsberg for donation sheets; contact information is available on JuniorCAHC.com.

ESTES PARK BAKE SALE

The JCAHC will be holding a bake sale at Estes Park this year! The Junior club members will be going around on a golf cart at Estes selling both horse and people treats starting on Sunday the 1st.

There will be a set-up meeting for all JCAHC youth on Saturday the 30th at the Lau residence. Here we will be baking our special treats. If you come, please bring some ingredients for baking. (Such as, if you want to bake brownies, please try to bring all the ingredients you will need) There is a grocery store in walking distance, so some items can be bought. For directions and additional information, please contact Jenny Lau – contact information is on JuniorCAHC.com.

FALL SHOW FUN CLASSES!

At Fall Show this year the JCAHC will be holding two fun classes during the afternoon break on Saturday. Entry fees are \$5/class. Sign up sheets will be at a table near the main office. There is no deadline for entry.

The “Trixie” Adult Showmanship Class!

Remember the good old days of showmanship as a youth? Relive those days with our “Trixie” Adult Showmanship Class! Bring your horse and your best fun style to compete! Ages 18 +

Blind Man Buggy Race

Our favorite fun class, the Blind Man Buggy Race! Two people sign up as a team; one sits in the buggy while the other pulls the cart with a blindfold on! How well can you steer the person pulling the buggy in front with your words? All ages can compete!

CHANGE DRIVE!

Jars will be placed near the main office at fall show for the JCAHC Change Drive! Each jar will be labeled with a different barn's name. Drop your extra change into your barn's jar, or choose to give your change to any barn you wish! The barn with the most change by the end of the morning session Sunday wins an ice cream party on Sunday afternoon!

A good idea is to make your own jar at your barn right now to start collecting change, and bring it all in at once at the show! For more information contact Allegra Winn – contact information is on JuniorCAHC.com.
